SUMMARY: Isdaner & Company Named 2013 Medium Sized Business of the Year

The accounting firm of Isdaner & Company was named the 2013 Medium Sized Business of the Year by the Main Line Chamber of Commerce. Isdaner & Company was chosen for this award because of their innovative and quality orientation placed on both clients and employees. Representatives of the leadership of the Main Line Chamber of Commerce were the judges.

For over three generations, Isdaner & Company has been doing business on the Main Line. The firm established its first office on the Main Line in 1967. The company supports many neighborhood organizations both with the involvement of time and financial resources. Employees are involved in over 20 organizations.

Isdaner & Company is one of the few remaining independently owned and operated certified public accounting firms in the Philadelphia area. The firm serves family owned and closely-held businesses in various sectors including: real estate development and management, healthcare, medical/dental, legal, manufacturing, distribution, retail, nonprofit and governmental. Services offered are tax planning, accounting and auditing, business advisory and integrated services.
